## 6th District Council Candidates

### Answer Questions at Neighborhood Meeting

The Urban County Council is the legislative branch of the Lexington-Fayette County Government. The council has the power to establish budgets, set policy and levy taxes in our city.

Your district council member should

- be knowledgeable of the people and the neighborhoods that he or she represents.
- ensure that your neighborhood gets its fair share of the city budget and safety protection.
- represent the district when issues and concerns are brought before the council.
- listen to your concerns and problems
- be transparent by communicating the happenings of the city that affect our neighborhoods.
- use their resources within the city government to see that problems get solved for their constituents.
- be visible at neighborhood meetings and events of the neighborhoods that they represent.

The EPNA is hosting the two candidates running in this election to represent those who live in the 6th district. Plan on attending our association meeting on Tuesday, October 25 at 6:30 pm to ask questions and hear the goals of **Charlie Rowland and Denise Gray** as they ask for your vote to represent you for the next two years. Invite your friends or neighbors to come hear their plans.

## NEIGHBORHOOD ASSOCIATION DUES

As discussed by the board, at the July meeting, and in the July newsletter, you will be asked to vote whether or not to raise association dues from \$5 per adult to \$10 during the October meeting. Come and vote for your preference. Dues are paid on a calendar year, Jan - Dec.

## WINTER NEWSLETTER

The winter newsletter will only be delivered through email, FB, and our website. The paper copy will NOT be delivered house to house. This newsletter will provide information for the decorating contest and announce the new board members.

The board has discussed moving to these formats for quite a while. Now we will do a trial run.

To help us be successful, we need:

1. One **updated email address** for your family sent to [lexepna@gmail.com](mailto:lexepna@gmail.com) as soon as possible. We promise not to flood your email account, only sending emails when necessary.
2. Share this information with new neighbors that they can receive a newsletter.
3. If you do not use the internet, we need to know you would like to receive a paper copy.

## **BOARD MEMBERS RETIRING**

**Sheila Hardy** has been a founding member since the start of the association in 1987, serving on the board almost the whole time. She has served as President for four terms, Secretary, and the Registered Agent for many years. Sheila coordinated and conducted the Holiday Decorating Contest for many years. Sheila is a great historian of the work of the neighborhood association. When she was President, she got us started planting trees along Eastland Pkwy and in our neighborhood parks, eventually resulting in nearly 80 new trees. As you drive along the Parkway and see all the fall color, thank Sheila for her vision.

**Loys Mather** has served as President for ten terms and Treasurer for one term. He is our expert landscape extraordinaire leading the addition of roses, trees, our Memorial Garden, the front entrance landscaping and maintaining the original farm wall. Loys has written many grants to obtain city monies to help fund projects stretching our neighborhood dues and donations. He has spent countless hours working with city officials to enhance the beauty and safety of the neighborhood.

**Roy Cannaday** served as our webmaster creating our webpage and email, keeping us up-to-date as technology has evolved. He has been the Board's problem-solver for many of our neighborhood projects, often lowering our costs. He is always quietly ready to pitch in and help whether it be mowing and weed-eating, decorating the entrance, managing the electricity and water systems at the entrance or setting up for a meeting.

We wish these three well as they move on to other endeavors and appreciate their many years of service to our neighborhood more than they will ever know. If you wish to write them a note of appreciation, email it to [lexepna@gmail.com](mailto:lexepna@gmail.com) and it will be forwarded to them.
